Charles M. Schulz and his beloved comic strip, *Peanuts*, have changed the world. In *Security Blankets*, Fraser and Bang present a heartwarming collection of 51 touching true stories to show the connection people have with the adored cartoon. Stories, photos from the contributors, and *Peanuts* artwork make this work extra special. The connections are so strong they've even had the power to change people's lives.

Take, for example, the Vietnam POW; whose first piece of correspondence while in captivity was a Snoopy card that included a picture of his wife and children. Or the 5-year-old boy from Boston who demanded that his stuffed Snoopy accompany him to the hospital for a high-risk surgery. Connections such as these show how *Peanuts* has become a security blanket for thousands.

This is chicken soup for the *Peanuts* lover's soul.

Excerpt from the book:

"But what made this drawing different was the unique "countdown calendar" that my father had drawn on Snoopy's belly. Each square on the calendar, which my sisters and I would cross out, meant that our dad was one day closer to coming home. Every time a square was marked off that drawing, Snoopy brought a bit of happiness and security to a war-weary and scared ten-year-old girl who desperately missed her Daddy.

Did Snoopy help bring my father safely home from the Vietnam War? Maybe, maybe not. But to this day, whenever I see Snoopy--especially when he's performing his happy dance--my heart is grateful and filled with loving memories of my Dad.
