Pat Davis grew up in a small town in Wisconsin. He's about to embark on a journey that would change his life forever. While his mother and sister take him to college in their family's station wagon they reminisce about the many childhood adventures of the wonderful decade of the 60's. His large family, combined with a neighborhood of boys is the perfect ingredient to conjure up stories that contain humorous, adolescent behavior along with heartfelt emotions. Although his limited travels have brought him many memories and revelations, this time he discovers something he wasn't looking for.
