Kill?

Edward didn't know he bought a former pirate ship, and when the marine captain Isaac Smith threatened to take his ship, and Freedom, away Edward took matters into his own hands.

Edward's action sends him, and his best friend Henry Morgan, running from the law on an adventure across the historical Caribbean & Latin America. The two will have to fight not only to stay alive, but to stay free during the so-called "Golden Age" of piracy.

Edward also finds that half the ship he bought is locked, and the previous owner left clues to find the keys. Edward and his crew must follow the clues and face games of life and death before they can claim said keys.

Will Edward and Henry embrace the life that's been thrust upon them, or will they crash against the rocks of their misfortune? See how the pirate Blackbeard came to be the scourge of the Caribbean Sea and beyond, and follow him on his fantasy adventures full of pirates, privateers, and everything in between in The Voyages of Queen Anne's Revenge!

What makes a man a sinner?

What makes a man a saint?

Where does good stop and evil begin?

John Roberts considers himself a Christian, a religious man of God, but when his faith is shaken he begins to question the biblical rules he stood for his whole life.

Roberts' life on a slave ship is filled with hard labour, low wages, and no chance for advancement. When Roberts becomes friends with a slave named Bartholomew, he couldn't know it would start a chain of events leading him on his first sea adventure.

In an age of pirates who are slaves to no man, Roberts finds himself torn between a world of just and righteous men, and the evil sinners around every corner.

Will the religious Roberts become a sinner or stay a saint during his biblical test of faith? See where Roberts' trials take him in his short stories full of action, adventure, pirates, and privateers set during the Golden Age of Piracy.
