## **Callie's Dilemma** Vicki Stevenson

While attending a convention for authors and fans of chick lit, Callie Delaney, closeted reigning queen of mainstream romance, meets Dale Kirby, irresistible fitness instructor for the health club at the hotel that's hosting the event. She also inadvertently walks into the prelude to a murder. Although Callie is unaware of the significance of what she sees, the killer is not, and he embarks on a relentless campaign to eliminate the only witness to his crime. With help from Dale's LGBT family, the women set out to uncover the motivation for the threats against Callie, identify her mysterious stalker, and ultimately prove him guilty of murder. As a fragile relationship develops between Dale and Callie, they are forced to confront escalating danger and the irresolvable conflict between the demands of Callie's public image and the reality of her personal desire.
