Alcoholism - Divorce - Sexual Abuse - Codependency - Domestic Violence - Drug Addition - Sexual Addiction These words are about more than "issues." They're about people who sit as close to us as the next pew -- or our own. People struggling with problems that sermons or Bible studies alone won't solve. But there is a way the church can help the hurting move beyond their wounds to experience the healing and liberty of Christ. Celebrate Recovery fills a long-standing need in the church in its role as Christ's healing agent. Developed by John Baker and Rick Warren of the renowned Saddleback Church, this program's life-changing effectiveness has gained it an explosive, grass-roots popularity.
