Dealing with Hindering Spirits: When the Warfare Moves from Natural to Supernatural Perry Stone

In 2013 Perry released his book, "Dealing with Hindering Spirits" which is 139 pages on the subject of "When warfare moves from natural into supernatural."

It is an evil spirit sent on a mission by the enemy for the purpose of hindering your God-given assignment by creating distractions, strange trials, and abnormal obstacles and frustrations, thus making your work trying, tiring and difficult.

In this book, Perry Stone reveals his personal testimony of how he encountered and overcame hindering spirits early in his ministry. This message exposes the assignments of the adversary and arms the Believer with practical and Biblical insight to help deal with attacks by hindering spirits from the demonic spirit realm.

Just as we saw in Scripture with the Apostle Paul's thorn in the flesh, the adversary has designed a plan of attack against the Believer and the church. Often he works through people. The manner in which we respond to the attack will determine the outcome of every spiritual conflict that we encounter.

Discover the joy and peace of overcoming the adversary as you read this book, Dealing with Hindering Spirits.
