Excerpt from Fireside Messages: Adapted for Reading, in Catholic Homes

From these we hope that the brief and practical treatment of the topics herewith presented will have at least a passing welcome.

Our aim in bringing out these Fireside Messages is, first of all, to provide mental food for Catholics who do not reflect enough, perhaps, on matters which have a bearing on eternity; and, secondly, to encourage the custom of spiritual reading around Catholic firesides, a custom almost forgotten in an age given over to novels and newspapers. How many hours are lost in useless reading; and yet how little time we pilgrims here on earth can afford to lose! A short quarter of an hour spent daily in reading aloud out of this volume, or out of volumes of a similar character, would help greatly to keep up a sound Catholic spirit in our homes.
