While on assignment in Utah, Christine Temetri isn't surprised when yet another prophesied Apocalypse fails to occur. After three years of reporting on End Times cults for a religious news magazine, Christine is seriously questioning her career choice. But then she meets Mercury, a cult leader whose knowledge of the impending Apocalypse is decidedly more solid than most: he is an angel, sent from heaven to prepare for the Second Coming but distracted by beer, ping pong, and other earthly delights. After Christine and Mercury inadvertently save Karl Grissom—a film-school dropout and the newly appointed Antichrist—from assassination, she realizes the three of them are all that stand in the way of mankind's utter annihilation. They are a motley crew compared to the heavenly host bent on earth's destruction, but Christine figures they'll just have to do. Full of memorable characters, *Mercury Falls* is an absurdly funny tale about unlikely heroes on a quest to save the world.
