Nobody ever said that going to college was going to be an easy task but I didn't have any clue how hard it was going to be until I actually started going. I had to work hard in order to support myself but my minimum wage job didn't pay very much. In addition to my boss being a jerk, he thought it was funny to cut my hours when he knew I needed the money the most. I had to find something different and find it fast. I decided to try my hand and babysitting.

When Kyle and Tracey hired me, I was so excited. They needed a sitter on a regular basis and my availability was perfect. The job was easy as could be! I got paid to surf the web and study most of the time. Unfortunately, Kyle had developed a thing for me. He lusted after me. His wasn't very good at hiding his thoughts so his wife knew he wanted me as well. She fired me on the spot. A few weeks later, Kyle called me to start babysitting again. That first night led to he and I sharing an experience that neither of us would forget. I walked away with a raise as well.
