She's in for far more than she's ever had before...

Mary's husband Greg wants to try new things. He's talking about an "open" relationship, and she has to admit the idea is intriguing.

But Greg's hasn't waited for her. She catches him having an affair and flees, only to be found by Stinger, the leader of a Biker Gang who can show her exactly how much they desire her sensual, curvy body. And they aren't going to line up and take turns...

These Wolves don't play nice, and that's exactly the way she needs to be had.

WARNING: Playing with the Pack is the STEAMY story of woman who starts her new life by seducing leather clad, inked, alpha Shifter men who take whatever they want!
