The Flicker Men: A Novel Ted Kosmatka

"A high-speed thriller. . . . The pages turn rapidly with well-orchestrated suspense." - *The New York Times*

"If Stephen Hawking and Stephen King wrote a novel together, you'd get *The Flicker Men*. Brilliant, disturbing, and beautifully told." -Hugh Howey, *New York Times* bestselling author of the *Wool* series

A quantum physicist shocks the world with a startling experiment, igniting a struggle between science and theology, free will and fate, and antagonizing forces not known to exist

Eric Argus is a washout. His prodigious early work clouded his reputation and strained his sanity. But an old friend gives him another chance, an opportunity to step back into the light.

With three months to produce new research, Eric replicates the paradoxical double-slit experiment to see for himself the mysterious dual nature of light and matter. A simple but unprecedented inference blooms into a staggering discovery about human consciousness and the structure of the universe.

His findings are celebrated and condemned in equal measure. But no one can predict where the truth will lead. And as Eric seeks to understand the unfolding revelations, he must evade shadowy pursuers who believe he knows entirely too much already.

From reader reviews:

Allen Mullinax:

This The Flicker Men: A Novel tend to be reliable for you who want to be described as a successful person, why. The explanation of this The Flicker Men: A Novel can be on the list of great books you must have is giving you more than just simple reading through food but feed you with information that probably will shock your before knowledge. This book is actually handy, you can bring it just about everywhere and whenever your conditions at e-book and printed people. Beside that this The Flicker Men: A Novel forcing you to have an enormous of experience like rich vocabulary, giving you demo of critical thinking that we all know it useful in your day task. So , let's have it and luxuriate in reading.

Terry Matlock:

Exactly why? Because this The Flicker Men: A Novel is an unordinary book that the inside of the guide waiting for you to snap the item but latter it will zap you with the secret the item inside. Reading this book next to it was fantastic author who also write the book in such remarkable way makes the content on the inside easier to understand, entertaining means but still convey the meaning completely. So , it is good for you for not hesitating having this anymore or you going to regret it. This unique book will give you a lot of gains than the other book get such as help improving your ability and your critical thinking way. So , still want to delay having that book? If I have been you I will go to the guide store hurriedly.

Kenneth Hoy:

Many people spending their period by playing outside using friends, fun activity together with family or just watching TV the entire day. You can have new activity to enjoy your whole day by reading through a book. Ugh, do you consider reading a book really can hard because you have to bring the book everywhere? It fine you can have the e-book, delivering everywhere you want in your Cell phone. Like The Flicker Men: A Novel which is keeping the e-book version. So , try out this book? Let's view.

Neil Dussault:

As a pupil exactly feel bored to help reading. If their teacher requested them to go to the library or to make summary for some reserve, they are complained. Just very little students that has reading's heart and soul or real their interest. They just do what the educator want, like asked to go to the library. They go to generally there but nothing reading very seriously. Any students feel that studying is not important, boring along with can't see colorful pics on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore this The Flicker Men: A Novel can make you experience more interested to read.
