Divine Design is a 6-week Bible study for women, taking a fresh look at Psalm 139. The purpose of the study is to help women discover and understand the unique and original way God has designed them. It examines the many ways God helps us know Him, and elevates our awareness of His presence in both everyday life, and in the midst of difficult circumstances. This study challenges us to find out how God has gifted us. A Spiritual Gift assessment, along with other explorations of our passions, abilities, personality types and experiences will provide insight into who we are from God's perspective. Each woman will complete a comprehensive individual profile which will give her a good picture of her special design. The hope is that this study will help provide the tools needed to make the most of every opportunity to live the life God created uniquely for us.
