"Got your book after seeing a video of you on...www.westernjournalism.com and ordered it immediately through Amazon.... Also like your exposure of the crookedness of the [Democratic] party trying to pass 'natural born Citizen' laws before they [nominated Barack Obama]...and your excellent discussion of the meaning of NBC [Natural-Born Citizen]. You also very succinctly explained the DNC/[Democrat] congressional criminals manipulation of the OCON to bypass constitutional eligibility and Nancy P-Ulosi's signing two certifications.... My copy is highlighted, my remarks filling the margins and pages of interest are corner folded, which is almost EVERY page, so I can reference things quickly to post. I appreciate 'mostly' that you took it to...'O'Really'..." An Apparently-Satisfied Reader "In his excellent book, Tom takes on many in the Conservative Establishment Media for their failure to speak out on this important and clear-cut issue. While his criticism of those who should know better is biting, this is a witty, sometimes humorous, and fast-paced book, well researched and thoroughly documented. All who read my book on this subject will enjoy O'Reilly!" Dr. Jerome Corsi - Author of Where's The Birth Certificate? "Tom Ballantyne does a really clever and useful thing in Oh Really, O'Reilly! He tells the story of Barack Obama's dubious origins through the eyes/ mouth of TV pundit Bill O'Reilly. Presumed by the left to be a spokesman for the right, O'Reilly illustrates just how little the media, right or left, have done to clarify the serious constitutional issues surrounding Obama's birth. I have not seen a book that more cogently or amusingly documents those issues." Jack Cashill - Author of Deconstructing Obama "In Oh Really, O'Reilly T.M. Ballantyne has assembled an encyclopedic volume reflective of monumental effort intended to become a valuable resource for all lovers of liberty." Rabbi Daniel Lapin - The American Alliance of Jews and Christians "Tom Ballantyne has assembled the most complete, well-documented collection of facts related to Obama's eligibility to date. It is a must read for anyone wishing to be fully informed on this critical issue." Mark Gillar – www.TeaPartyPowerHour.com "Oh, Really, O'Reilly! is well-researched, well-sourced, and as relevant as anything I've read. The takeover of independent media is always the first step in installing a lawless, tyrannical regime. It's far past time for the public to see and comprehend what is being done to the country so many of us love. Kudos to Tom for taking the bull by the horns on a critical issue!" Nellie Ristvedt – Butterdezillion's Blog <http://butterdezillion.wordpress.com/> "A very well researched easy read.... In addition to exposing...media pundits...the author deftly exposes Snopes, FactCheck, PolitiFact, Wikipedia, NPR, etc. - ALL of the supposed non-partisan fact checking and information websites - [for] what they are...liberal propagandists." Sal and Kandy Ricotta - Scottsdale, AZ The break-in at the Watergate Hotel and Office Complex, in Washington, D.C., at 1:55 in the morning of June 17, 1972, would be handled in Small-Claims Court today, in comparison with the scandal and cover-up by the current administration, were it not for the "State-Controlled Media," all three branches of government, numerous departments, and BOTH parties, in the most far-reaching political scandal in our nation's history. What started out as an expose of the SPIN of one William Joseph ("Bill") O'Reilly, and a few of his media cohorts, evolved into an epic (but factual) "novel" of collusion and intrigue, that will be considered the Bible on the issue of the Constitutional legitimacy of our nation's 44th President. A 'Fair and Balanced' look at the facts, from the author of The Secret of Life Series, and the 2011-released Uncommon Sense...Apparently! "A Call To Arms". You will be both shocked and overwhelmed by the sheer volume of incriminating evidence!
