Release: A Ransom Novel (Ransom Series Book 2) Rachel Schurig

**The second installment in the Ransom series from USA Today and New York Times bestselling author Rachel Schurig. This New Adult

Contemporary Romance novel is a complete story with no cliffhanger.**

Reed Ransome is ready for a break. For once he's going to relax, to have some fun. To stop worrying about his brothers and their band and the pressures that come with being a rock and roll superstar.

Paige Brennen is a firm believer in finding fun in unexpected places. If her past has taught her anything, it's that life is too short to waste time being unhappy.

Their one night in Mexico is supposed to be just that—one night. A bit of fun, nothing more, before the drudgery and hard work of a cross-country tour sets in. They both have far too much riding on this opportunity to take any chances. And starting a relationship now would mean taking a pretty big chance.

Neither of them ever expected their fling to last longer than that one night. Never expected it to turn into something...more.

Maybe even something worth risking everything for.
