There's no doubt that telephone triage and advice programs can help control health care costs and utilization. To avoid liability and reap the benefits of effective utilization, however, a successful telephone triage and advice program must be well organized, protocol driven, well documented, and evaluated for quality, accuracy, and consistency. Aspen's Telephone Triage Protocols answers this critical need. For Orders and Inquiries, please call: 1-888-427-5800.
