The Pleasure Principle: Sex, Backlash, and the Struggle for Gay Freedom

Michael Bronski

The Pleasure Principle: Sex, Backlash, and the Struggle for Gay Freedom Michael Bronski

Drawing on a half-century of gay history, Michael Bronski brilliantly maps out the fascinating and often ironic interplay between culture and politics. In doing so, he illustrates how and why most heterosexuals need and love certain aspects of gay culture, even though this culture also causes them enormous anxiety and fear. *The Pleasure Principle* offers a profound and disturbing analysis of the roots—and the damaging results—of Western culture's inability to deal with both pleasure and sexuality, especially as they are embodied for many by contemporary gay culture.
