Truth in the Teaching of Master Nuno Oliveira Eleanor Russell

This great book is the next in Xenophon Press' series by the students of Master Nuno Oliveira. Eleanor Russell studied with Oliveira for over ten years. For an entire year, she studied horsemanship with her stallion, Victorieux in Avessada, Portugal. During this time, she took dutiful notes of her master's teachings and faithfully recorded quotations of his lessons and discussions. Ms. Russell was permitted to photograph him in his daily work on average horses. This book is filled with candid, un-posed photographs seldom before seen. The lessons are practical and concrete. This volume illustrates daily life at the stables and reveals many secrets to understanding many classical dressage movements.
