With work tight, and money even tighter, builder Jason Burrows stumbles across a seemingly easy, yet unconventional, method of paying the rent.

With his flatmate and best friend, Drew Watson, in tow he arranges to meet Thomas Judd, a wealthy property magnate with a very specific fetish, at the exclusive 'Inpudicus Club' as the straight lads launch themselves, 'Feet First', into what proves to be both a financially and sexually satisfying encounter.

### EXCERPT:

"Be polite and smile back," Jason chided. "If we play our cards right that guy is going to be paying our rent this month."

I almost dropped my glass in surprise. Slamming it down on the table I leaned across and angrily hissed at my still grinning friend. "That's it! This has gone far enough! If you think I'm desperate enough to sell my fucking body to some old codger then...oh fuck! Look, you do whatever you want to do, mate, but I'm having no part of it! I'm off!" I went to stand but Jason lightly grabbed my arm.

"Calm down!" he urged. "I'm not planning to sleep with him, or anyone else for that matter! What the fuck do you take me for?"

"So what exactly are you planning to do then?" I retorted, unconvinced.

"Well," he sighed, "I suppose I'd better come clean with you. Last night, after you left for work, I went on to the website that Benny had told me about and..."

For several minutes, in hushed tones, Jason proceeded to regale me with details of the website and the rather protracted conversation he had engaged in with the man on our right. "You see mate," he finally concluded, "he's got quite a specific fetish and, more importantly, he's not short of a few quid either."

"What sort of fetish?" I asked incredulously.

"Watch him. See what he's looking at."
