Allison La Crosse discovers she has several powers, including a spiritual gift to heal the dying with her touch. With the newfound awareness, she uncovers mind-boggling truths about a world which has been hidden her whole life, thanks to her mother's selfless actions. The most important revelation pertains to her ordained place within The Disciples of the Cross as one of their Warriors. This position moves her even closer to her mentor, Brody Kennedy, who ends up being the only other Warrior. Just as suddenly, it catapults her into the middle of a war between The Sect and The Disciples. Allison's appointment to Warrior—alongside Brody—exacerbates the leader of The Sect's malicious hunt for her. As a result, everything about her existence is altered. With the modification of her life, she prepares to do anything necessary to save everyone loved by her... including Brody and Clark.
