Prickly City

Scott Stantis

Prickly City Scott Stantis

As the American mainstream tilts gradually right, *Prickly City* takes its place as a humorous voice for the masses. Creator Scott Stantis' first collection captures the issues and arguments of the George W. Bush political era era from the viewpoint of a little girl and a cute coyote.

Never shy about commenting on sensitive and controversial political and social events, *Prickly City* is timely and humorous. This collection of the conservative strip draws from today's political current and gives readers plenty of reasons to laugh.

Carmen, a straightforward, sensible kid, and her unlikely best friend, Winslow the innocent coyote pup, frolic and tussle in the American Southwest while discussing hot-button issues such as condoms in schools, violent video games, gay marriage, and highly contested presidential campaigns. As Carmen might say, "We may not be correct but we will always be right."

Prickly City creator Scott Stantis has emerged as an up-and-coming conservative social and political voice.

From reader reviews:

Tamera Duckett:

Do you have favorite book? In case you have, what is your favorite's book? Reserve is very important thing for us to know everything in the world. Each guide has different aim as well as goal; it means that guide has different type. Some people feel enjoy to spend their time for you to read a book. They are reading whatever they acquire because their hobby is actually reading a book. What about the person who don't like reading a book? Sometime, person feel need book once they found difficult problem or maybe exercise. Well, probably you'll have this Prickly City.

Raymond Custer:

Throughout other case, little men and women like to read book Prickly City. You can choose the best book if you'd prefer reading a book. Given that we know about how is important any book Prickly City. You can add understanding and of course you can around the world by way of a book. Absolutely right, because from book you can realize everything! From your country until finally foreign or abroad you will find yourself known. About simple matter until wonderful thing you can know that. In this era, we can open a book or perhaps searching by internet device. It is called e-book. You need to use it when you feel uninterested to go to the library. Let's go through.

Teresa Dawkins:

The book Prickly City give you a sense of feeling enjoy for your spare time. You can use to make your capable more increase. Book can to get your best friend when you getting pressure or having big problem with the subject. If you can make reading a book Prickly City for being your habit, you can get much more advantages, like add your own personal capable, increase your knowledge about a number of or all subjects. It is possible to know everything if you like wide open and read a reserve Prickly City. Kinds of book are several. It means that, science e-book or encyclopedia or other individuals. So , how do you think about this reserve?

Rita Furguson:

Reading a e-book make you to get more knowledge from that. You can take knowledge and information originating from a book. Book is published or printed or descriptive from each source that will filled update of news. In this particular modern era like at this point, many ways to get information are available for you actually. From media social such as newspaper, magazines, science reserve, encyclopedia, reference book, new and comic. You can add your knowledge by that book. Do you want to spend your spare time to spread out your book? Or just searching for the Prickly City when you desired it?
