Customers who place a standing order for the Tests in Print series or the Mental Measurements Yearbook series will receive a 10% discount on every volume. To place your standing order, please call 1-800-848-6224 (in the U.S.) or 919-966-7449 (outside the U.S.).

The most widely acclaimed reference series in education and psychology, the *Mental Measurements Yearbooks* are designed to assist professionals in selecting and using standardized tests. The series, initiated in 1938, provides factual information, critical reviews, and comprehensive bibliographic references on the construction, use, and validity of all tests published in English.

The objectives of the *Mental Measurements Yearbooks* have remained essentially the same since the publication of the series. These objectives include provision to test users of:

- factual information on all known tests published as separates in the English-speaking countries of the world
- candidly critical test reviews written for the *MMY* series by qualified professional people representing a variety of viewpoints
- unique publication of each volume in the *MMY* series with new volumes supplementing rather than supplanting previous series volumes.

Each yearbook is a unique publication, supplementing rather than supplanting the previous volumes.

Julie Ross:

Spent a free time to be fun activity to accomplish! A lot of people spent their sparetime with their family, or their very own friends. Usually they doing activity like watching television, planning to beach, or picnic inside the park. They actually doing ditto every week. Do you feel it? Would you like to something different to fill your own personal free time/ holiday? Could be reading a book is usually option to fill your free time/ holiday. The first thing you ask may be what kinds of e-book that you should read. If you want to attempt look for book, may be the reserve untitled The Tenth Mental Measurements Yearbook (Buros Mental Measurements Yearbook) (v. 10) can be very good book to read. May be it is usually best activity to you.

Dora Bair:

In this period of time globalization it is important to someone to acquire information. The information will make anyone to understand the condition of the world. The healthiness of the world makes the information better to share. You can find a lot of referrals to get information example: internet, magazine, book, and soon. You can observe that now, a lot of publisher that will print many kinds of book. The book that recommended for your requirements is The Tenth Mental Measurements Yearbook (Buros Mental Measurements Yearbook) (v. 10) this book consist a lot of the information on the condition of this world now. This kind of book was represented how can the world has grown up. The terminology styles that writer value to explain it is easy to understand. The actual writer made some exploration when he makes this book. That's why this book appropriate all of you.

Jerry Blair:

As a college student exactly feel bored for you to reading. If their teacher requested them to go to the library or to make summary for some e-book, they are complained. Just little students that has reading's heart and soul or real their leisure activity. They just do what the instructor want, like asked to the library. They go to at this time there but nothing reading very seriously. Any students feel that reading through is not important, boring and can't see colorful pics on there. Yeah, it is to get complicated. Book is very important for you

personally. As we know that on this age, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. So , this The Tenth Mental Measurements Yearbook (Buros Mental Measurements Yearbook) (v. 10) can make you truly feel more interested to read.
