True North

K.C. Bell

True North K.C. Bell

K. C. Bell, author of *Changing Plains*, has taken a collection of articles that appeared on British political satire website *The Spoof.com*, and created a True North view of the Bush years, the '08 election and President Obama's first year in office. A gem of a book with over one hundred articles including: *George Bush Approves Stem Cell Research*, *Tony Blair Drafted Into The Military*, *Air Force One Has Attitude*, *John McCain Sex Tape Surfaces*, and *Cleavage In Parliament*. Along with the satire articles are seven essays to speed the reader from 2004 to 2009 with: *1+1=2*, *Three Straight Shots Of Tequila*, *Sleeping With Male Strangers* and *It's A Long Way To Auchterarder*. A delightful book, readers may easily curl up and fly around the world with True North in their carry on.

From reader reviews:

David Binkley:

The book True North make you feel enjoy for your spare time. You can utilize to make your capable much more increase. Book can to be your best friend when you getting anxiety or having big problem using your subject. If you can make looking at a book True North being your habit, you can get considerably more advantages, like add your capable, increase your knowledge about some or all subjects. You may know everything if you like wide open and read a publication True North. Kinds of book are several. It means that, science book or encyclopedia or others. So , how do you think about this publication?

Curtis Tyson:

Book is to be different for each and every grade. Book for children right up until adult are different content. As we know that book is very important for us. The book True North seemed to be making you to know about other information and of course you can take more information. It is extremely advantages for you. The e-book True North is not only giving you more new information but also being your friend when you sense bored. You can spend your own personal spend time to read your publication. Try to make relationship with the book True North. You never really feel lose out for everything when you read some books.

Jennifer Smith:

Don't be worry if you are afraid that this book can filled the space in your house, you will get it in e-book means, more simple and reachable. This True North can give you a lot of friends because by you looking at this one book you have issue that they don't and make you actually more like an interesting person. This book can be one of one step for you to get success. This publication offer you information that possibly your friend doesn't know, by knowing more than other make you to be great persons. So , why hesitate? We need to have True North.

Concepcion Bass:

As a student exactly feel bored for you to reading. If their teacher expected them to go to the library in order to make summary for some reserve, they are complained. Just small students that has reading's internal or real their passion. They just do what the professor want, like asked to the library. They go to generally there but nothing reading critically. Any students feel that reading is not important, boring along with can't see colorful photos on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore this True North can make you feel more interested to read.
