Leslie Michaels is a visionary, and only those close to her know of her special gift and visions. Fate has a way of righting many wrongs, and for Leslie it is a destiny that changes her life dramatically, but not before she is forced to flee into the wilderness to escape a murderous trapper bent on claiming her for his very own.

Faith and a strong will to survive are her only companions, until she encounters Winnokin, the handsome Seneca war chief, who first came to her in her dreams. Not only does he prove to be her rescuer and protector, he teaches her that tragedy can breed happiness and the passion to live and love deeply once more.
