He's the one she always wanted, but could never have...until now

Today is Rachel McAllister's birthday. With her dreams indefinitely paused—she turned her family's struggling ranch into the Sundance Dude Ranch—it's not exactly the birthday of the century. But she's about to receive one heck of a present....

Matt Gunderson is back in town. The boy who broke her teenage heart into a gazillion pieces. And being a pro bull rider has definitely done something for his physique. *Mmm.*

Their families have been silently at war for years. And with Matt on a break from the rodeo circuit, Rachel has only a few days to see if the chemistry is still sizzling. To finally taste the forbidden. To treat herself to what might be the best birthday present ever...over and over again!
