A seminal romance, finally available again. Ghislaine de Lorgny wants just one thing in this life -- revenge on the man who destroyed her life. Nicholas Blackthorne wants two things -- to keep Ghislaine from killing him and getting her into his bed. Kidnapping her and taking her, kicking and screaming, across half of Europe is only the beginning to their adventures. Nicholas has a black heart and a remorseless soul, Ghislaine has fierce determination and a score to settle. If only she wasn't falling in love with her kidnapper.
