## **Chase in Time** Rene Len

Allie, had always been fascinated with everything about the late 1800s, which is why she allowed her bossy, albeit caring best friend to goad her into a visit to an out of the way old west museum in central Texas. Although she had always dreamed about the time period, she never imagined she would get to experience it. That is, not until an Indian shaman promised her heart's desire. All she had to do was say yes. Chase, lived a good life on a successful ranch in central Texas, 1894, but with one wish in a sacred clearing, suddenly he got more than he bargained for. Could a woman from 2014 leave everything she ever knew to make a life with him? Only time would tell. Chase in Time, the first of the Mystic Stands series, will jettison you into a world where love, time travel and fantasy are all within reach.
