Deadly Pursuit: The Moon Shadow Trilogy (Executioner) Don Pendelton

Bolan goes full assault on a trail of hijacked nukes. . .

TARGET OF OPPORTUNITY

Smashing through a web of deception reaching from the South China Sea to Vancouver and beyond, Mack Bolan ignites the battle zone against a Chinese Triad suspected of brokering stolen Russian nukes to buyers in Mideast terrorist circles.

Barely surviving the blistering counterattack by the Triads or the wellorganized suck play orchestrated by a CIA double agent, Bolan strikes back hard against the Russian *Mafīya* who are peddling weapons of mass destruction, while raising the stakes for shadow players behind a global conspiracy.

In a world where friend and foe cross the line at will, the Executioner trusts only his warrior's instinct. . .
