**El porvenir posible. Obras selectas (Vida y Pensamiento de Mexico) (Spanish Edition)** Castillo Peraza Carlos

Conjunto de ensayos que el autor publicó en la revista Palabra del Partido Acción Nacional y en diversas publicaciones como Nexos o Vuelta. El libro es una muestra valiosa del pensamiento de quien es, quizá, el ideólogo más destacado del PAN desde Manuel Gómez Morín y, tal vez, el pensador mexicano católico con mayor resonancia de los últimos tiempos. Las rutas del pensamiento, el estilo de la escritura y la realidad cambiante que encauzaron el hacer político y la prosa de Carlos Castillo Peraza encuentran en la selección de Alonso Lujambio y Germán Martínez un retrato disperso que hacía falta reunir, elegir y explicar.
