Gina's Little Secrets

Ronald Ritter, Sussan Evermore

Gina's Little Secrets Ronald Ritter, Sussan Evermore

This is a true story with the names changed to protect the guilty. A family sprayed in different directions through love, sex, changing partners, money, drugs and lies, lots of lies. I was the Agony Aunt listening to everyone's ups and downs in life. I've heard just about everything until I met Gina. What a snapshot of how complicated sex, love and lies can become but so juicy, I had to write about it.

Some may think me cruel to share details of a sordid marriage of casual sex with strangers, voyeurism and cover ups. But I just say, 'What an opportunity to see how the other side lives.' I don't force an opinion here, don't get me wrong, all I say is 'you read it and be the judge'. Each chapter is a fueled episode of their reality.

In this story wedding vowels are cheap, sex is fun and the closet is filling up with secrets. Being an observer can be entertaining but I don't want to be nearby when it blows. A family well respected in the community but not anymore.

From reader reviews:

Brian Davis:

With other case, little people like to read book Gina's Little Secrets. You can choose the best book if you'd prefer reading a book. Providing we know about how is important a book Gina's Little Secrets. You can add information and of course you can around the world by just a book. Absolutely right, due to the fact from book you can learn everything! From your country until foreign or abroad you will find yourself known. About simple factor until wonderful thing you are able to know that. In this era, we can open a book or searching by internet unit. It is called e-book. You should use it when you feel fed up to go to the library. Let's study.

Daphne Shew:

What do you concentrate on book? It is just for students as they are still students or this for all people in the world, what the best subject for that? Just you can be answered for that concern above. Every person has several personality and hobby for every single other. Don't to be forced someone or something that they don't desire do that. You must know how great and also important the book Gina's Little Secrets. All type of book would you see on many solutions. You can look for the internet sources or other social media.

Robbie Lewis:

What do you concerning book? It is not important along? Or just adding material when you want something to explain what the one you have problem? How about your time? Or are you busy man? If you don't have spare time to perform others business, it is make you feel bored faster. And you have spare time? What did you do? Every person has many questions above. They need to answer that question because just their can do that. It said that about e-book. Book is familiar in each person. Yes, it is right. Because start from on guardería until university need this Gina's Little Secrets to read.

Margaret Pace:

Is it an individual who having spare time subsequently spend it whole day through watching television programs or just laying on the bed? Do you need something totally new? This Gina's Little Secrets can be the reply, oh how comes? The new book you know. You are thus out of date, spending your extra time by reading in this new era is common not a nerd activity. So what these books have than the others?
