Treasure of the Deep

J. R. Rain, Aiden James

Treasure of the Deep J. R. Rain, Aiden James

Nick Caine is a part-time archaeologist and full-time antiquities thief—a looter. And a very good one, too.

Now stranded on a small, forgotten island in the southern Maldives, Nick Caine and his ever-faithful sidekick Ishi are thrown into a desperate fight for survival. Seemingly betrayed by Marie Da Vinci, Nick is forced to gamble his and Ishi's very existence on an ancient map. The parchment document promises an incredible horde of hidden pirate treasure.

The very words are music to a looter's ears—except the duo aren't the only ones interested in the hidden treasure. Modern day pirates are on the scene, and it's going to take all of Nick Caine's unflappable charisma to bail them out this time. The stakes quickly escalate, leaving Nick and Ishi very little time to narrow down the map's clues. Soon, their fate and that of an exotic Maldivian beauty named Norema hang in a precarious balance...proving once again that looting is a deadly business.
