Without Frontiers: The Life and Music of Peter Gabriel Daryl Easlea

Peter Brian Gabriel may have started out as a high profile rock performer with a penchant for theatrical costumes, but he was never going to age in the traditional rock manner.

Neither becoming a parody of his past self nor endlessly seeking self-consciously new images, instead he took his creativeness and perfectionism into fresh fields.

Throughout his career, Gabriel has been a pioneer in the music industry, pushing pop music to new heights while having the foresight to support emerging genres and technologies. From his work as a member of Genesis, to his hugely successful solo career (including the groundbreaking music video for *Sledgehammer*), to his ambitious collaboration with international musicians and artists, Peter Gabriel has been one of the most innovative and versatile artists of the past thirty years.

Writing a biography of this extraordinary musician was no easy task, but *Without Frontiers* proves that Daryl Easlea is more than up to the job. In the end, a portrait emerges of a man who parlayed his first successful career into a dozen more and who, despite his high profile, has somehow managed to live an enviably normal life through it all.
