High Country Kill (A Jason Brand Western Book 4) Neil Hunter

The brainchild of Amazon Kindle Number One bestselling western writers Mike Stotter and Ben Bridges, PICCADILLY PUBLISHING is dedicated to reissuing classic fiction from Yesterday and Today!

HIGH COUNTRY KILL

Jason Brand was summoned to Frank McCord's office, where he was given his latest assignment. He was to protect Lord Richard Debenham, the part owner of a large British company involved in a joint American/British venture. McCord had reason to believe someone wanted Debenham dead ... and was willing to pay big money to get the job done. So Brand was to stay close to Debenham without letting him know his life was in jeopardy. It sounded simple ... but he knew it wasn't going to be any such thing. And before the end of it he was proved pretty damn' right.

NEIL HUNTER

Neil Hunter is a pseudonym of the prolific Lancashire-born writer Michael R. Linaker. As Neil Hunter, Mike wrote two classic western series, BODIE THE STALKER and JASON BRAND. Under the name Richard Wyler he produced four stand-alone westerns, INCIDENT AT BUTLER'S STATION, THE SAVAGE JOURNEY, BRIGHAM'S WAY and TRAVIS. Another western, HIGH KILL, was later published in the SUNDANCE series as BOUNTY KILLER. His western output can also be found under the names 'Dan Stewart', 'John C. Danner' and 'Frederick H. Christian', the latter name employed when he ghost-wrote an additional five titles in Frederick Nolan's popular FRANK ANGEL series. Mike has written three 'nasty' horror novels under his own name, but since the late 1980s has become best-known as one of the most popular contributors to Gold Eagle's MACK BOLAN series, chronicling the adventures of PHOENIX FORCE, THE EXECUTIONER and STONY MAN, as well as his own action-adventure series, CADE.
