Human Acts: A Novel Han Kang

From the internationally bestselling author of THE VEGETARIAN, a “rare and astonishing” (*The Observer*) portrait of political unrest and the universal struggle for justice

In the midst of a violent student uprising in South Korea, a young boy named Dong-ho is shockingly killed.

The story of this tragic episode unfolds in a sequence of interconnected chapters as the victims and the bereaved encounter suppression, denial, and the echoing agony of the massacre. From Dong-ho’s best friend who meets his own fateful end; to an editor struggling against censorship; to a prisoner and a factory worker, each suffering from traumatic memories; and to Dong-ho’s own grief-stricken mother; and through their collective heartbreak and acts of hope is the tale of a brutalized people in search of a voice.

An award-winning, controversial bestseller, HUMAN ACTS is a timeless, pointillist portrait of an historic event with reverberations still being felt today, by turns tracing the harsh reality of oppression and the resounding, extraordinary poetry of humanity.
