The Few and the Proud: Marine Corps Drill Instructors in Their Own Words Larry Smith
From the sands of Iwo Jima to the deserts of Iraq, the riveting, real-life stories of training young marines.

Beginning with interviews with the last surviving drill instructors of World War II, this powerful oral history offers the voices of veterans from every major war of the last sixty years, concluding with accounts of what it takes to train marines for Iraq today. *The Few and the Proud* contains revelatory details about the vicious training techniques used to prepare marines for the great battles against Japan in the Pacific; the Ribbon Creek training disaster of the 1950s; and legendary stories by the likes of Iwo Jima veteran "Iron" Mike Mervosh and R. Lee Ermey, the infamous drill instructor from *Full Metal Jacket*. With death-defying accounts relayed from the MCRD in San Diego and the legendary Parris Island, *The Few and the Proud* is both a personal history of the 230-year-old U.S. Marine Corps and a repository of heroism, leadership, and determination in the toughest division of the United States military. 30 photographs.

As a college student exactly feel bored for you to reading. If their teacher asked them to go to the library in order to make summary for some book, they are complained. Just little students that has reading's heart and soul or real their passion. They just do what the teacher want, like asked to the library. They go to at this time there but nothing reading critically. Any students feel that reading is not important, boring along with can't see colorful photos on there. Yeah, it is for being complicated. Book is very important for you. As we know that on this period of time, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. So , this The Few and the Proud: Marine Corps Drill Instructors in Their Own Words can make you feel more interested to read.
