Want to make the most of learning centers but not sure how? Let this outstanding resource be your guide. It features four complete language arts learning center units, based on popular children's books, that will fit into virtually any curriculum. The units include Dr. Seuss and His Friends, Bears, Dogs, and American Tall Tales and Legends, and can be used in any order. Each unit comes with an illustrated bulletin board activity, a letter to parents explaining the learning center activities and suggesting home enrichment ideas, a group activity for the entire class, and "take off" suggestions that serve as springboards for extended activities across other content areas. This unique handbook provides over 100 reproducible whole language activities that will improve students' skills in listening, speaking, reading, writing, spelling, math, and art. Children will get a variety of opportunities for acquiring new knowledge, as well as practicing previously learned concepts. Primary teachers and resource-room and special education teachers will find detailed directions for using a learning center system—from introducing, setting up, managing, and evaluating learning centers as part of the regular classroom program.
