Puppy Mind Andrew Jordan Nance

In this picture book for children and adults, illustrated by Jim Durk, who is adored by thousands of children for his many *Clifford the Big Red Dog* and *Thomas the Steam Engine* books, a young boy discovers his mind is like a puppy, always wandering away, into the past or the future. He sets about learning to train his puppy mind to heel to the present moment. Through remembering to breathe, the boy becomes a stronger and more caring master of his puppy mind, keeping it in the present, if only for a moment. Includes a discussion guide for parents and teachers.
