## **Sing For Me** Trisha Grace

Chloe Brooks has been living in Italy for years. She has everything she wanted: a successful career, the ability to make sure she is as far away from her parents as possible, and an almost equally successful boyfriend.

One phone call from a dear friend brings her back to the States, to her old neighborhood where she comes face to face with her childhood crush, Christopher Hunter. And one look into his eyes brings back all the memories and feelings she thought she has long-forgotten. Feelings she shouldn't have.
