Sarah has found herself at the end of yet another relationship gone wrong and can't figure out why. She has a wonderful career that she loves and she makes a good living; however, nothing in her life has turned out the way she planned. She has no reason to complain, although if she had her way, things would be a lot different. Ponder This You pray to God, the one you have come to know since your childhood; the God who has been there for you through thick and thin, even when you didn't deserve it. The God you have turned your back on countless times before and now it seems as though the tables have turned and it is now He.....that has turned His back on you.
