Completely revised and updated to reflect the changes in our language and our world, Webster's New World "TM" College Dictionary is the best language reference for this age of instant global communication. New words and new biographical and geographical entries have been fully integrated into the single alphabetical listing. The reference section includes a new 4-color world atlas for even easier access to geographical, historical, and other encyclopedic information. The new Roget edition of the renowned Webster's New World "TM" Thesaurus features an all-new thematic index based on Roget's original categories. Long-time Roget users will find it provides new access to the body of the thesaurus without sacrificing the proven usefulness of its A-Z listing. Both books are boxed together in a sturdy slip case. Value priced, it's the perfect desk set for home or office and a great gift idea.
