Added to M'Cheyne's readings is an adjustment for leap years.

## **1689 London Baptist Confession of Faith**

- The Second London Baptist Confession contains 32 small chapters detailing, in systematic form, the theology of Bible truth. This version utilizes the King James Version, Cambridge Edition, of the Holy Bible wherever applicable.

## **Hymns and Psalms**

- This small volume contains seven select, well-known hymns followed by seven select psalms

from the 1650 Scottish Psalter.

## **Devotional Suggestions**

- Suggestions for implementing some of the tools for individual and/or family devotions.

This is a great tool for any Christian desiring to grow in grace and be strengthened in faith; whether using the book as a family, or in private, individual meditations to exalt Christ unto the glory of God.
