**Atlantis: A Dane Maddock Adventure (Dane Maddock Adventures) (Volume 6)** David Wood

What is the true story behind the fabled lost continent of Atlantis, and what power did the Atlanteans wield? When archaeologist Sofia Perez unearths the remains of an Atlantean city, she unwittingly gives the Dominion the power to remake the world after its own design. From the depths of the Caribbean to the streets of Paris, to Japanese islands and beyond, Join Dane and Bones on a race to stop the Dominion from unleashing its greatest threat yet in the thrilling adventure, Atlantis!

“David Wood’s Atlantis hits all the marks that a blockbuster should. With rapid-fire pacing, Wood gives you perhaps his greatest Dane and Bones adventure yet with a tale that spins and reels out of control with action. With elements of mystery, lost technology and a mythical city, this book reads like vintage Clive Cussler. His best yet!” Rick Jones, Author of The Crypts of Eden

“Flooded with action!” Rick Chesler, author of Solar Island

"I like my thrillers with lots of explosions, global locations and a mystery where I learn something new. Wood delivers in this book as Dane Maddock, Bones and a new team race to find the remnants of Atlantis. Recommended as a fast paced, kick ass read." J.F. Penn, author of Desecration
