Students learn best when they see concepts applied to examples from their everyday lives. This new edition of ***Economics Today*** covers leading-edge issues while lowering barriers to student learning. The text relentlessly pursues the fundamental objective of showing students how economics is front and center in *their* own lives while providing them with many ways to evaluate their understanding of key concepts covered in each chapter.

Each chapter begins and ends with an *Issues and Applications* feature, which introduces a timely issue in the chapter opener and analyzes the issue using the economic tools learned in that chapter at the end. This text is also available with MyEconLab®, which includes assessment questions that tie to these *Issues and Applications*, as well as ABC News video clips. With **MyEconLab**, students can continue working problems online and receive personalized tutorial resources. Visit MyEconLab for more information.
