Revenge is an euphoric thing. Trust me on this. Nothing compares to the release you get when you ruin someone's life. When they've stolen important things. Things that didn't belong to them. Things I revel in making them pay for.

What? Have I offended you? I'm not here to appeal to your delicate senses. I have no intention of placating your wishes or living within your personal belief system nor do I care if you hate me. And you will hate me. Because I'm a brutal, savage, cold-blooded murderer and I'm here for my revenge.

I'm Ethan Moonson...And this is the story about how I went from the world's most sacrificing man to the most feared and why I wouldn't trade it for anything in the world.

Recommended ages 16 and up for language and violence.
