Loaded Words

Marjorie Garber

Loaded Words Marjorie Garber

One of our most important cultural critics, at the top of her form, comments on a wide range of topics in both general and academic culture.

In *Loaded Words* the **inimitable literary and cultural critic Marjorie Garber invites readers to join her in a rigorous and exuberant exploration of language.** What links the pieces included in this vibrant new collection is the author's contention that all words are inescapably loaded-that is, highly charged, explosive, substantial, intoxicating, fruitful, and overbrimming-and that such loading is what makes language matter.

Garber casts her keen eye on terms from **knowledge, belief, madness, interruption, genius, and celebrity to humanities, general education, and academia.** Included here are an array of stirring essays, from the title piece, with its demonstration of the importance of language to our thinking about the world; to the superb "Mad Lib," on the concept of madness from *Mad* magazine to debates between Foucault and Derrida; to pieces on Shakespeare, "the most culturally loaded name of our time," and the Renaissance.

With its wide range of cultural references and engaging style coupled with fresh intellectual inquiry, ***Loaded Words* will draw in and enchant scholars, students, and general readers alike.**
