Professor Paradox

Mr Sparrow's Spectacular Boob isn't about that sort of boob, it's about the foolish blunders made by Mr Sparrow, headmaster of St Doughnuts School in the small town of Bogmarsh. The story contains huge dollops of slapstick, wonderful disgusting bits, the world's most embarrassing parents, a horrid villain, a crazy head teacher, and a whole class full of cheeky children. Add the crazy humour of Professor Paradox and you have a hilarious disaster in which things can't possibly get any worse, until they do.

Mr Sparrow's Spectacular Boob isn't just very entertaining and funny, it contains some useful life lessons too: sometimes life does seem to go wrong, but in the end things can work out for the best, respectable public figures are not always what they seem, and other people's parents can sometimes be even more embarrassing than your own!

But mostly this story is a whole lot of fun that you just can't put down.
