The Bye Bye Man: And Other Strange-but-True Tales Robert Damon Schneck

The True Story Behind the Terrifying Movie

Don't think of his name....

In 1990, three college students spent a long Wisconsin winter experimenting with a Ouija board; it turned out to be the deadliest mistake of their lives.

The board brought them into contact with a psychic serial killer known only as the Bye Bye Man. Learning his name makes you vulnerable, but thinking about it draws the Bye Bye Man to you.

He is a relentless traveler, moving night and day, coming ever closer until the shrill sound of a steady whistle announces his arrival. He might turn up outside your bedroom door, speaking in the voice of a trusted friend, someone who would never hurt you....

Here is the authentically terrifying, true-life story recounted by historian Robert Damon Schneck in a chapter of his classic underground collection of weird Americana, which formed the basis for the major motion picture *The Bye Bye Man*.

This unsettling tale is accompanied by seven more chapters of twisted history and includes the author's new afterword, "Searching for the Bye Bye Man".
