The Lost Treasure of Oak Island (The Lost Mysteries Series) (Volume 3) George Foster Leal

The Oak Island Treasure is a mystery that has eluded treasure hunters for over two hundred years. The “treasure pit” may or may not exist but the lure of an unknown vast treasure has brought numerous treasure hunters to Oak Island which lay off the coast of Nova Scotia in Mahone Bay. Rumors abound. Could it have been buried by Captain Kidd, or Templar Knights, or early American Masons, or the French, hiding Marie Antoinette’s fortune after her fall from grace? Added to the mystery is the Curse, that seven must die before the treasure is found. Over the years the hunt has claimed six lives so far. Men who searched for the treasure have dug numerous pits and tunnels, always digging down to it. Archeologist Don Robeson has a different view. He believes the search should start in the bay and come up through the labyrinth of limestone caves below the island. He has his team, his license and his beautiful love Kathleen Caulder beside him. But will Don find the long lost treasure or will the caves under the island claim Don as the curse’s 7th victim?
