Beautiful Journey

Kenna White

Beautiful Journey Kenna White

Kit Anderson is determined to make a difference. All around her the Battle for Britain is raging, and ferrying factory-fresh airplanes to combat bases makes excellent use of her skills as flight lieutenant for the British Women's Air Transport Auxiliary. An American in southern England, she is undaunted by war. It's safer than love.

The talented aviatrix could fly a crippled craft through a thunderstorm without a compass and find her way home, so it is singularly disconcerting to find herself flying in circles around Emily Mills, a too young, too attractive and too abrasive British literature teacher. Even though Emily's grandmother is Lady Marble, it's a time of war and scarcity and Emily needs work. Kit offers to help her find a job on the air base--and as is often true, no good deed goes unpunished.

There's no compass on earth to help when the irascible Emily gets past all Kit's defenses. She knows the sparks could turn to flame, and their hearts are in the line of fire.

Kenna White turns her storytelling talents to this unforgettable tale of women who found the courage to love in the midst of a world at war.
