## **An American Soldier in Vietnam** Steven Alexander

After living a normal life for twenty years, a war halfway around the world forever alters the life of a young man... The 1960s were a turbulent time for the United States. Anti-war riots, race riots, and gender equality protests shook America and permanently changed the composition of the American way of life. But for Ray Anderson, life was peaceful and full of normalcy. That is, until his number was drawn. Unlike others who dodged the draft, Anderson, knew his country needed him and accepted the call to arms. Leaving behind everything he knew and loved, Anderson embarked upon a new life, one in which he must fight to preserve the freedom of world, by attempting to stop the tyrannical aggression the North Vietnamese inflict upon its Southern brothers and sisters. After witnessing the atrocities of war, Anderson comes home to ungrateful and unsympathetic protestors, heckling him as he attempts to reenter the "real world." An American Soldier in Vietnam is a means of conveying the harsh conditions American soldiers faced in Vietnam, and the cruel treatment Veterans experienced at the hands of their fellow Americans.
