Ancient Enemy

Mark Lukens

Ancient Enemy Mark Lukens

Seven hundred years ago the Anasazi people built massive cities in what is now the Southwestern United States... and then they vanished.

Stella, an archaeologist specializing in Anasazi culture, and David, a mysterious Navajo boy, are on the run from something terrifying. As they flee up into the snowy mountains of Colorado, they are carjacked by criminals. Caught in a blizzard, they must take refuge in what they believe is an abandoned cabin. It's at this cabin that they will face horrors beyond their imagination.
